The Joyful Impact  
of Catholic Charities

**2020 Annual Report**

**Catholic  
Charities**

Diocese of Springfield in Illinois

*Dear Friends  
in Christ,*

Catholic Charities has a rich, 96-year history of providing vital services and hope to God's

people in need. The year 2020 was no exception.

Through the pandemic and as their largest fundraisers were canceled, Catholic Charities remained open as staff and volunteers served on the front lines to bring relief and advocate for the poor, sick, hungry, and weary every day.

Because of your continued prayers and generosity, thousands of people received food, assistance with medicine, rent and utilities, counseling services, legal assistance, Thanksgiving and Christmas assistance, clothing, diapers, hygiene products, and more. They felt relief as they were told Catholic Charities could help during one of the hardest years in recent history.

Catholic Charities is able to continue these services through the ongoing generosity of people like you – donors, staff, volunteers, board members, and organizations coming together to fulfill the mission.

Thank you for your ongoing support of Catholic Charities, especially through a pandemic, to ensure God's love and mercy is extended to all of his children.

As you look through Catholic Charities 2020 Annual Report, pray that each person who comes to them seeking help would feel the love and mercy of our Lord and Savior. This year, I challenge you to continue to support Catholic Charities as they continue to be the hands and feet of Jesus to our neighbors in need.

“And my God will fully satisfy every need of yours according to his riches in glory in Christ Jesus.” -  
Philippians 4:19

Sincerely yours in Christ,

*+ Thomas John Paprocki*

*Dear Friends of  
Catholic Charities:*

In the midst of tragedy, there are often “silver linings” that can be found.

At Catholic Charities, we have worked to navigate through the challenges and tragedies that have impacted our ability to fulfill our mission of service and love – and there have been many.

In 2020, Catholic Charities saw more people who had to seek assistance for the first time in their lives. Whether because of the loss of a job, business, or worst of all, the loss of a loved one, the virus had a significant impact on the devastation all around us.

From our diminished capacity to conduct fundraising events to substantially modifying our programs in order to incorporate health and safety protocols, COVID-19 continues to impact everything we do.

However, the commitment and compassion from the staff, volunteers, and supporters of Catholic Charities coming together to ensure people have the help they need has been an inspiration and a “silver lining” of the past year.

Our staff and volunteers have been true heroes on the frontline throughout it all. They have kept our services intact and dedicated themselves to ensuring Catholic Charities has remained open and available to those who need us.

I have seen firsthand the tremendous generosity and outpouring of kindness from people all across our Springfield Diocese. There have been countless individuals, businesses and organizations who have reached out to us asking how they can help; many for the very first time.

I cannot adequately express the admiration and gratitude I feel for the staff, volunteers, and supporters of Catholic Charities. Thank you and God bless you! It has been incredible to witness this selfless and genuine concern and it refreshes our passion to overcome any obstacle to service in our path.

Thank you so much to all of you who have looked beyond your own formidable challenges to serve your brothers and sisters in crisis during 2020.

May God grant you and your family health and peace in the New Year.

Sincerely,

*Steven E. Roach*

## Decatur Highlights

Decatur Catholic Charities Meals on Wheels program took over the congregate meal program of another agency when they were unable to continue delivering meals due to COVID-19. Within one weeks' time, Decatur Catholic Charities successfully began delivering meals to 150 new clients. Our staff and volunteers made a phenomenal turn-around time to serve these new

clients, and continue to serve them today. These additional 36,000 meals bring our Meals on Wheels program to 109,000 meal deliveries served the last fiscal year. Volunteers in the community also wrote over 3,000 "love notes" to the homebound seniors that were delivered with meals to brighten their day. This program relies on 100 dedicated volunteers each week.

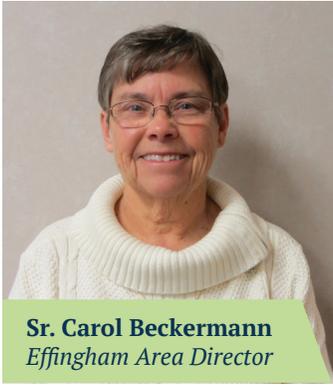

*Decatur Catholic Charities was the recipient of a pet food drive by Fairview Hospital for Animals. Our food pantry distributed over 3,000 pounds of pet food to recipients who were so appreciative to receive food for their beloved pets.*

*Thank you Drs. Stevens and Groesch, staff, and patrons.*

Thank you to local dairy farmers, Bernie and Debbie Niemerg for providing a new refrigeration unit to the food pantry.

## Effingham Highlights

The Effingham Catholic Charities Food Pantry was a recipient of a new refrigeration unit thanks to local dairy farmers, Bernie and Debbie Niemerg. The industrial grade refrigerator was provided through a Community Relief Grant offered by Midwest Dairy, an organization representing 6,500 hardworking dairy farm families throughout the Midwest. The new unit provides much needed refrigeration space to accommodate the milk for Effingham's Food Pantry and Mobile Food Pantry clients, as our client numbers continue to grow.

In addition to our food pantry and mobile food pantry programs, Effingham Catholic Charities delivered food to food pantries in the rural areas of our seven county service area that were struggling to provide food to people in their specific areas.

## Madison County Highlights

Madison County Catholic Charities hosted their first virtual fundraiser in June to support the counseling program. Participants were invited to join from anywhere, and could choose to walk, run or bike 3.1 miles for mental health awareness during COVID-19.

Alton Knights of Columbus Council #460 donated an abundance of coats for children in the Madison County area. These will keep a lot of little ones warm and happy this winter season. The coats are still being given away to anyone in need.

Please contact the office at 618-462-0634 if you have a child who needs a coat.

Alison has been coming to Madison County Catholic Charities for several years now when she spends the summer with her grandmother, Jackie Tucker, retired Office Manager in Alton. Alison enjoys stocking shelves and packing food boxes that include inspirational notes. Alison says that her favorite part of being at the office is seeing smiles on the faces of those she helps.

## Quincy Highlights

Quincy Catholic Charities secured grants through the Community Foundation of the Quincy Area, DOT Foods, and the Emergency Food and Shelter Program through United Way of Adams County to purchase meat through two local farmers and a local butcher shop for the Food Pantry and Mobile Food Pantry programs. Quincy Catholic Charities partnered with the Weiman family at Morning Star Farms and Jeff Venvertloh Farms to purchase eight steers over the course of several months. The first steer provided the food pantry with over 400 pounds of meat. The Butcher Block also partnered to provide meat to the Food Pantry when supply was low. Quincy Catholic Charities has become well known for providing a meat/protein option at every food distribution. Due to consumer demands and quantity limits placed on meat purchases at all local grocery stores during COVID-19, no bulk purchasing was allowed at the time, driving up cost and making it increasingly difficult to provide a meat/protein item to our clients. Additionally, the usual donation of meat through Feeding America ceased during the pandemic. Thank you to these local farmers, The Butcher Block, The Community Foundation, DOT Foods and the United Way for partnering with Quincy Catholic Charities to help us meet local needs and build a stronger community.

Katie O'Neal, owner of AlbsmeyerRoad, a family-owned clothing store, worked on making handmade blankets over the summer months. She graciously donated these blankets to Quincy Catholic Charities for the families and clients in our programs.

## Springfield Highlights

Springfield Catholic Charities Crisis Assistance Office worked harder than ever to serve those who are struggling and have been negatively impacted by the pandemic. Our staff secured grants to disperse funds to hundreds who needed help with rent, utilities, prescription assistance and other items such as diapers, wipes, and personal hygiene items. The Food Pantry and Mobile Food Pantry combined served ten thousand people combined over the last fiscal year.

The St. John's Breadline began providing 'to go' meals when the dining room was ordered to shut down under COVID-19 directives from the Governor's Office. The Breadline has continued to stay open seven days a week. Last fiscal year the Breadline served 164,005 meals. The St. John's Breadline also hosted two Souper Bowl fundraisers.

Fifteen Springfield performing arts organizations showed their spirit and generosity over the summer by hosting a food drive for the Holy Family Food Pantry and bringing in three large truck full of food. Additionally, Springfield's Catholic elementary school students gave a staggering 50,000 pounds of food to the food pantry during the fourth annual food drive in October. St. Agnes School came in first place, and Christ the King scored a close second place.

Springfield Catholic Charities was the recipient of new freezers from an anonymous donor. The new freezers allow the Holy Family Food Pantry to expand healthier food options to clients like meat, dairy, fruits and vegetables.

Intact Family Services (IFS), a referral based program that works to keep troubled families together, was blessed with 14 new "Adopt-A-Family" donors through word of mouth from current donors. IFS served an average of 79 families and 161 children year round. An inspirational story from a mother: "Being a disabled veteran, I sometimes struggle to see the light in certain situation, but my caseworker encouraged me to enroll in college, and not be afraid to try. My kids now see me as someone to be proud of."

The year 2020 brought big changes to St. Anne Residence. We said goodbye to some old friends, and made new ones as well. St. Anne reacted to COVID-19 promptly, and following guidance from the CDC and local health departments, established protocols and restrictions to maintain safety for those who live and work within St. Anne. In September, we said goodbye to Ila Smith as the on-site Caretaker. Fortunately, she chose to stay and live at St. Anne, and now resides in the building as a tenant, enjoying her retirement. Joining our St. Anne family as the new live-in caretaker is Cassandra Story. Sandy signed on and took over on September 1, 2020.

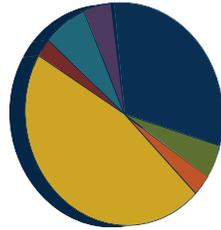

St. Anne Residence continues to provide safe housing for moderate to low-income seniors, with dignity, respect and compassion for all.

# 2020 PROGRAMS

## **Catholic Charities Legal Services**

This community-based, quality legal services program helps people with little to no income in obtaining pro bono legal assistance in civil matters from area lawyers in specialized fields.

## **Catholic Children's Home**

The Alton-based home provides special education and therapeutic services for students ages 5-21 and residential services to boys ages 11-18. Educational services include programming designed specifically for children with autism.

## **Crisis Assistance**

We provide emergency financial assistance for rent and utilities, as well as providing basic necessities including diapers or hygiene products.

## **Education and Advocacy**

Catholic Charities works with other agencies to find opportunities that will most benefit the client.

## **Eldercare Options**

Assesses, counsels and determines the need for guardianship for the alleged disabled adults who no longer have the ability to make sound judgments on their own behalf. We also strive to find alternative to guardianship as well as secure sound decision makers on behalf of the disabled adults.

## **Elderly Guardianship**

We assume guardianship of seniors and provide decision making and advocacy for elderly adults who lack the ability to make proper judgments concerning their health, well-being and safety.

## **Faith in Action**

Volunteers are matched with homebound seniors, age 55 and older, in Macon County to provide companionship and non-medical assistance. Faith in Action is to help seniors maintain an independent lifestyle in their own homes.

## **Food Pantries**

Our staff serves the nutritional needs of families by helping with immediate problems and searching for future solutions. Donations of food, time and money are necessary in order to respond to local hunger.

## **Health Connect**

Health Connect is a comprehensive intervention program that works with clients who have a high number of hospital emergency room readmissions due to poor health, self-management skills, lack of resources or other social and emotional challenges.

## **Immigrant Services**

Services include financial assistance for green cards, citizenship and naturalization fees as well as coordination of legal assistance.

## **Intact Family Services**

This program's goal is to keep troubled families together by offering them intense case management and education in parenting, and linking them with related services in their communities. This program is referral based only from DCFS.

## **Meals on Wheels**

Lunches are delivered on weekdays by caring volunteers to homebound seniors in Decatur and Macon County.

## **MedAssist**

A prescription medicine assistance program that aids clients with securing immediate or long term medications at free or substantially reduced costs. The following services also fall under our MedAssist program: Senior Health Insurance Program, Marketplace Certified Application Sites, Immediate Meds, the Dental Voucher Program, and Medical Equipment Loan Program. These specific program offerings vary by site.

## **Mobile Food Pantry**

Through this hunger relief effort, a refrigerated truck delivers a supply of food to pre-registered individuals and families in rural communities throughout the Springfield Diocese.

## **Post-Adoption Services**

The Post Adoption program is designed to support and strengthen the lives of adoptive parents, adult adopted persons and birth parents by providing compassionate profiles, searches and intermediary services.

## **Professional Counseling Solutions**

Our therapists offer professional, compassionate services to individuals, couples and families striving for emotional wellness. We also provide counseling to foster children, students and women in crisis pregnancies.

## **Resale Stores**

Our stores are ideal places to find gently worn clothing, housewares and furniture at nominal costs, and much is given away free. Volunteers and community donations help keep our stores going strong.

## **St. John's Breadline**

Operating in Springfield since 1925, our Breadline serves hot and nutritious meals daily at no charge to low income and homeless individuals in our community.

## **Strong for Life**

Strong for Life is a strengthening exercise program designed by physical therapists for home use by older adults (60 and over) to improve strength, balance and overall health.

## **The St. Anne Residence**

A beautiful 23-unit apartment community in Beardstown for low income seniors needing a safe, warm place to call home. The St. Anne Residence opened in 2005.

*Time have changed greatly, and Catholic Charities has always been there to answer the call for help from the children of God who need it most. We have always been there because of our faith. But most of all, Catholic Charities has always been there because of people like you joining us in our never ending quest to show the world the mercy and love of our Savior, Jesus Christ.”*
