Charities

Diocese of Springfield in Illinois

**2022
Annual
Report**

Catholic Charities is

making a difference

in the lives of
those we serve across the diocese.

Dear Friends
in Christ,

The passing of our beloved Pope Benedict XVI brings to mind his beautifully written first papal encyclical, *Deus Caritas Est* (“God Is Love”). The Holy Father explains how important and integral works

of charity are to the mission of the Church. He writes about how caring for the least of our brothers and sisters is not just a good idea or a casual suggestion, but rather the responsibility of every human person as children of God. He states, “For the Church, charity is not a kind of welfare activity that could equally be left to others. But it is a part of her nature, an indispensable expression of her being.”

Pope Benedict further discusses the true nature of love (God is Love) and tells us “love of neighbor is a path that leads to the encounter with God, and closing your eyes to your neighbor also blinds us to God.” These are powerful and inspirational words and they are an affirmation of the mission of Catholic Charities. Through the hard work and support of our dedicated staff, board members, volunteers, and donors, Catholic Charities is able to fulfill the divine mandate to “love our neighbor.”

The publication of this annual report gives an update on the programs and services of Catholic Charities all across our diocese. Every year, thousands of men, women, and children with special material and social needs are assisted through the compassionate programs of our Catholic Charities. They are served with mercy and respect and provided an avenue to the restoration of dignity and hope. It is through these charitable works, that we who are baptized into Christ, fulfill the privilege and responsibility of tangibly bringing the love of Jesus into the world.

I invite you to join me in ongoing support for the ministry of Catholic Charities.

Sincerely yours in Christ,

Most Reverend Thomas J. Paprocki
Bishop of Springfield in Illinois

Dear Friends of
Catholic Charities:

Thank you for taking the time to review this Annual Report for Catholic Charities in the Diocese of Springfield in Illinois. Through its many programs and services, **your** Catholic Charities continues to

bring the love and compassion of our Savior, Jesus Christ, to thousands of people in need across our 28-county diocese. It is your support that enables this *Mission of Mercy* to continue year after year as a daily affirmation of our faith and a pathway to hope and relief.

The late Pope Benedict XVI wrote many books and articles over his lifetime, but his encyclical *Deus Caritas Est* (God is Love) might be considered the Magna Carta of the Catholic Charities ministry. This is just one of the many quotes that bear on the works of Catholic Charities:

“Love of Neighbor, grounded in the love of God, is first and foremost a responsibility for the entire ecclesial community at every level: from the local community to the particular Church and to the Church universal in its entirety. As a community, the Church must practice love. Love thus needs to be organized if it is to be an ordered service to the community.”

Catholic Charities is the ministry of the Church that organizes love into “ordered service”; reaching out to all of our neighbors to restore dignity and respect, and to shine the light of God’s love. The *organized practice of love* requires many resources, both human and material, in order to offer effective, safe and efficient services that have a profound impact on the lives of so many hurting people and families.

The pillars of support for this organized practice of love are the many dedicated staff, volunteers, board members and donors who ensure, even throughout a global pandemic, that the doors of Catholic Charities remain open and the mission uninterrupted.

I ask you to please consider beginning or increasing your support for your Catholic Charities and the Mission of Mercy brought forth to our brothers and sisters who need us the most.

Sincerely,

Steven E. Roach, M.S., Executive Director
Catholic Charities Diocese of Springfield in Illinois

The Impact of Catholic Charities in Our Communities

Even in the most caring environments, dementia can have devastating consequences on a patient's quality of life. Memory loss, confusion, and difficulty communicating are just a few of the ways this disease can make caring for oneself more challenging. Many of us are blessed with friends and family who would help us in our time of need. However, who comes to the aid of those whose support system has turned against them, taking away their right to a safe and healthy life?

When 74-year-old Sharon was found to be suffering from not only severe dementia, but abuse at the hands of those who were supposed to care for her, Catholic Charities Eldercare Options stepped in on her behalf. Sharon lived in a home willed to her by her mother. Her daughters moved in with her as the disease worsened. Not to help her cope with her increasingly challenging day-to-day life, but to take advantage of her vulnerability. Over the course of their time living with her, the home became uninhabitable. Her cabinets were torn from the walls, and even her front door was gone. With her home destroyed, Sharon had no choice but to move with her daughters into a camper without water, air conditioning or even a bed to sleep in.

Sharon's daughters even went as far as to repeatedly abandon her at a fast food restaurant with no way home. After she began to display odd behaviors in the restaurant, the police were called. She was admitted to the hospital immediately thereafter. Eldercare Options was called to investigate the situation and determine her decisional capacity. With the cooperation of her physician, it was determined that she could no longer care for herself, her finances or her living situation.

To protect Sharon from further mistreatment, Eldercare Options began

the guardianship process. Her daughters were uncooperative and belligerent throughout. While Eldercare Options worked to keep Sharon from returning to a life of abuse, her daughters lashed out one final time, forging her signature and removing thousands of dollars from her retirement account. This instance was reported to the state attorney's office.

Sharon never had to spend another night in that camper. Thanks to Eldercare Options, she finally received the medical attention and safety she deserved. This is just one example of Catholic Charities' life-changing impact across our diocese.

Decatur Highlights

Interim Area Director Greg Fritzgerald retired after 25 years of service to Catholic Charities. Amanda Honn is our new Decatur Area Director. The Decatur office started renovations in January 2023.

Meals on Wheels had another fantastic year! Our team began offering weekend meals to clients identified as nutritionally in need. We purchased a new van, bringing the total number of vans in our fleet to 5. Plus, we plan to update all vans with fresh, new logos. Through our partnership with DMH and Chef David, we added some variety to our Meals on Wheels menu. This winter, we delivered 207 emergency frozen meals in anticipation of severe weather. With the help of Ameren Illinois, we delivered holiday meals on both Thanksgiving and Christmas. Congregate Meals on Wheels bloomed in 2022. Our program now has 3 sites: The Oxford House, The Woods, and the Senior Center. We offer monthly birthday celebrations, regular guest speakers, quarterly brunch and soup and salad events. This year also marks the first Christmas party at all three locations. It is a joy to build community at these locations.

Quincy Notre Dame High School held a "Canstruction" competition in the fall, creating unique sculptures from containers of nonperishable goods, all of which were donated to Quincy Catholic Charities. Area Director, Kevin Williams, was one of the judges for the competition. Two buses were needed to transport the over 8,000 donations brought in by the event. Quincy Catholic Charities continues to maintain a strong relationship with local Catholic Schools and churches to receive such generous donations.

Quincy Area Director, Jackie Bruns, was promoted to the Director of Operations and Kevin Williams has joined the Quincy Catholic Charities as their new Area Director.

St. Anne Residence Highlights

St. Anne sadly lost several residents in 2022. While no tenant is ever "replaced," it's a joy getting to know new tenants and their families. Everyone brings something unique to the community, and for this, we are thankful. We had seven new tenants join us this year, along with a couple of new fur babies!

St. Anne also welcomed a new Caretaker this year. She came to us as a tenant and applied for the position when it opened. She is a perfect fit for the job. 2022 brought some major building updates, with all the roofs being replaced.

St. Anne once again enjoyed partnering with the Mobile Food Pantry in 2022. At St. Anne, the tenants "shop" for their own order. We are truly blessed to be a part of the lives of all our tenants!

(217) 528-6098
Fax: (217) 528-3605

St. John's Breadline Highlights

In 2022, multiple agencies blessed the St. John's Breadline with monetary and food donations, including United Way, Midwest Foodbank, The Eisenberg Foundation, St. John's Hospital, DOT Foods, and HOI Vending in addition to donations from individuals, parishes, and churches. Community grocers, including Gordon Food Service, Schnuck's, County and Harvest Market and Humphrey's donated food throughout the year. The Breadline was coined the "food recyclers of Springfield" as staff used donated goods to create healthy and delicious meals

prepared with love for guests. Bank of Springfield, St. John's College of Nursing, SIU, St. John's Lutheran Church, Merrill-Lynch, Christ the King Parish and many other groups served the less fortunate with faith, dignity, and respect at the Breadline this year.

St. John's Breadline provided hot meals every day for hundreds of people. Guests dined, fellowshiped, and socialized in a warm, positive environment for the first time since 2020 as in-door dining and breakfast resumed this year. The Breadline hosts multiple fundraisers for their program, including the Souper-Bowl semi-annual fundraiser, the Esper Figueras Memorial Golf Outing and Breadline Sunday. A new partnership with DOT Foods and MJ Kellner provided thousands of pounds of donated food and fresh produce. The Breadline operated The Eisenberg Take What You Need pantry, which provided over 400,000 pounds of food for guests to take home for additional meals. The St. John's Food Pantry provided 150,531 meals to the most vulnerable members of our community.

“Times have changed greatly and sometimes it seems nothing changes at all. However, Catholic Charities has always been there to answer the call for help from the children of God who need it most. We have always been there because of our faith. We have always been there because of our dedication. But most of all, Catholic Charities has always been there because of the tremendous number of people who have joined us in our never-ending quest to show the world the mercy and love of Our Savior, Jesus Christ.”

Steven E. Roach M.S.
Executive Director of Catholic Charities,
Diocese of Springfield in Illinois
